

Evidence Checklist - Activity 7

Participation and Partnership Recovery Plan

- ☐ Public facts are cited and separated from training assumptions.
- ☐ Every scenario question is answered with evidence or a stated limitation.
- ☐ The detailed procedure was followed and each checkpoint is recorded.
- ☐ Owners, decision rights, dates and review triggers are explicit where applicable.
- ☐ Acceptance test met: The plan diagnoses funnel loss by group, addresses at least three root-cause categories, avoids coercive incentives, sets vendor quality/privacy standards and defines a measurable experiment with owner and stop rule.
- ☐ The final recommendation states residual risk and the next validation action.
